

FREE OPIOID EDUCATIONAL OUTREACH SESSIONS

FOR PRESCRIBERS AND PHARMACISTS

STAYING ABREAST ON THE OPIOID RESEARCH

Daily challenges of providing patient care are already demanding. We're here to help you better understand current research, prescribing guidelines, and best practice.

WE'RE HERE TO HELP

Our team of trained outreach educators can share best practices, resources, and tools to help streamline your workflow and improve outcomes for your patients. Virtual or in-person, whatever works for you.

WHAT IS ACADEMIC DETAILING?

Educational outreach for medical providers to help support the tireless dedication you have to Maryland's patients and community.

The focus of this program is to increase prescribers and pharmacists use of evidence-based recommendations for opioid prescribing, opioid safety, and implementation of best practices.

SIGN UP FOR FREE, PERSONALIZED SESSION

- Safe and effective pain management
- Evidence-based non-opioid treatment options
